reality of satan and the role he and his demonic hordes seek to exert on our lives but if we re to take scripture seriously we can t overlook the biblical assertions about the spiritual battles between the kingdom of god and the kingdom of the devil the truth is that believers in jesus are certain to encounter men and women of all ages who are oppressed tormented and tempted by demonic powers in understanding spiritual warfare theologian and professor sam storms confronts the reality of the spiritual conflict in our midst the threat of the demonic and how we as christians can respond to such a threat in our own lives and in the lives of others storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic answering question like who is satan and his demons and how do they act can a christian be demonized how does the authority of christ defeat the devil and the demonic what is warfare prayer and how can we wield it perfect for any individual or group who wants to grow in their understanding of spiritual warfare understanding spiritual warfare also serves as a training manual for a ministry of deliverance and inner healing

all successful deliverance must begin by first removing that which defends the enemy or gives him access to your life and destiny in speaking of spiritual warfare the apostle paul registers the word stronghold to define the spiritual fortresses in which satan and his legions hide and are protected these strongholds exist in the thought patterns and ideas that govern individuals and organizations as well as communities and nations under the rules of engagement in spiritual battles it s important to point out that the weapons of engagement are absolutely spiritual and not carnal therefore the use of physical forces or arms among civilians are biblically unauthorized it is evident that god sets the rules of engagement in spiritual warfare everything begins with him and ends with him so it is only natural that he sets the rules of combat once this is understood warfare becomes part and parcel of life till the end of times either we die and go to be with the lord or he comes and ends the world many christians have discovered that warfare is not as easy as binding and losing the devil the details of engagement at performance and procedures at working of warfare have severe implications and applications on a daily basis all of humanity is in a war for their survival warfare is real on two levels the natural and spiritual the earth is hurtling towards disaster because of the works of the devil on earth man is out of control on planet

earth and he knows it yet man ignorantly continues on his merry little way fulfilling the impulses and desires of the devil to understand the rules of engagement we have to look no further than the deliverance of israel as a nation from egypt god sets the scene using the first rule of engagement which is god initiated warfare and the lord spake unto moyses saying speak unto the children of israel that they turn and encamp before pihahiroth between migdol and the sea over against baalzephon before it shall ye encamp by the sea for pharaoh will say of the children of israel they are entangled in the land the wilderness hath shut them in and i will harden pharaoh s heart that he shall follow after them and i will be honoured upon pharaoh and upon all his host that the egyptians may know that i am the lord and they did so exodus 14 1 5 the rules of engagement helps you recognize the spirits that operate in the kingdom of darkness and gives you declarations for engaging them armed with god s power and authority the rules of engagement for the christian engaging in warfare is obedience to the instructions god has given the professing christian to live by christians must know the word of god to apply when occasion demands in any given situation or circumstance mind you every situation circumstance and issues are not brought on by demonic activity rule of engagement is applicable when the christian wages war on the devil he does this to take back territory and establish the kingdom of god on earth the idea of preaching the gospel is really entering into warfare the moment you put your hand to the plough you are engaged in warfare the rules here are even riskier because you have to walk in a manner that is not only walking in righteousness and holiness but listening to the holy spirit who trains your fingers for battle many christians have gone out on a mere impulse and unconfirmed divine direction and have found themselves in deep trouble though we are called to be witnesses for christ jesus told his disciples that he was giving them power to be his disciples he did this when he sent the holy ghost and power we too must receive the holy ghost and power this is essential to warfare and the spreading of the gospel when you begin to engage the

instructions revealed in this book and prayer manuel your relationships shall be healed your finance and health will be restored and your wealth shall be released your latter end shall be more glorious than your beginning if you sincerely partake in this spiritual exercise your possession shall multiply and your family foundation and heritage shall have a divine visitation and revival you will have an encounter with the power of god which gives one divine immunity against evil and demons be encouraged and remember to pray without ceasing 1 thess 5 17 emmanuel okafor
