chief to mekin was a penobscot moccasin maker and my grandfather evenings would pass while stories were handed down of olden days on indian island reservation near old town one that mesmerized me was the life of johnny boyle an irishman who learned to cook on his wood stove in the deep woods of maine for the big paper companies in the 1930 s it took months of

Careful research listening and interviews from many of my own native American elders but I wanted to get it right and recapture the forgotten time period from Johnny Boyles' dealings with the paper companies and lumberjacks to his relations with the Penobscot right to the bitter end. *Ice Goes Out* becomes excitingly real, historically interesting and informative yet captivating. It journeys from Boston to Bangor into the deep woods where a surprising cast of colorful characters, many true to life, await you as told through the eyes of an adolescent. Chief Tomekin, the bonding of friends and trust versus racism, along with plenty of twists, turns and tragedies makes *Ice Goes Out* as enjoyable to read as it is comical and easy. I swore I would write it down someday and *Ice Goes Out* is the result.

Beautiful words to ponder: the words that I speak unto you, they are spirit and they are life. Jesus of Nazareth, though little the Master Word looms large in meaning. It is the open sesame to every portal, the great equalizer, the philosopher's stone which transmutes all base metal of humanity in gold. The stupid it will make bright, the bright brilliant and the brilliant steady. The Master Word is work. William Osler: we live in a changing world but only in an external sense. Environment and mental processes change but there is something deep in the heart of man that defies the touch of time. A place where changes seldom come, if at all, there are to be found from age to age about the same hopes, fears, temptations, desires and motives, the same struggles with life and death, sin and shame, tragedy and grief, adversity and misfortune, the same eternal quests for God, truth, goodness and immortality. Cordie J. Culp: man in his changing world struggles to understand the unchanging God. Man would struggle less if he read the Bible more. Man has always been in the heart of God. The world's task is to bring God into the heart of man. Joseph M. Waterman: in time of quietness we have a chance to rest, an opportunity to evaluate life more properly, to develop a sympathy for others. We learn that the whole world can keep going without us and that gives us a wholesome sense of humility. Charles Allen.
