rhode island is america s smallest state but its history is far from tiny this information rich text takes readers on a journey through rhode island s colonial history and the role it played in gaining independence for the american colonies students will learn about rhode island s religious and social environment early industry and key historical figures important events such as king philip s war stamp act protests and the revolutionary war are examined through the unique lens of rhode island s colonial environment primary sources maps and period specific artwork supplement the text and support social studies curricula

this book explores the people places and history of the rhode island colony

having arriving in the province of maine in 1641 with a brief to create both government and law for the fledgling colony thomas gorges later recorded his policy as having steared as neere as we could to the course of ingland over the course of the next century the various colonial administrations all consciously measured their laws against that of england whether their intention was imitation of or conscious opposition to established english legal system in order to trace the shifting and contested relationships between colonial laws and english laws this book focuses on the prosecution of sexual misconduct all crimes can threaten orderly society but no other crime posed quite the same long term implications as illicit sex resulting in the birth of illegitimate children who became their own social challenges sexual misconduct was consequently a major concern for early modern leaders making it a particularly fruitful subject for studying the complex relationship between laws in england and laws in the english colonies political and ecclesiastical leaders create laws to coerce people to behave in a certain fashion and to convey wider messages about the societies they govern when those same laws are broken lawbreakers must be tried and punished by a means intended to serve as a warning to other would be lawbreakers in this book the two part analysis of changing sexual misconduct laws and the resulting trial depositions highlights the ways in which ordinary new england colonists across new england both interacted with and responded to the growing anglicization of their legal systems and makes the argument that these men and women saw themselves as taking part in a much larger process

by the early decades of the eighteenth century rhode island had developed a commercial economy with not one but two centers urban growth in colonial rhode island is the tale of these two cities newport fifth largest city in the colonies and the much smaller providence this absorbing history of two interdependent cities in a restricted region shows how they developed competed with each other and eventually traded places as major and secondary economic centers within the region the book has drawn upon the substantial body of local and regional history of colonial america unlike other studies which concentrate on the social structure and family life of rural communities urban growth in colonial rhode island explores the

relationship between economic development and social structure in an urban setting the book concludes with a discussion of the impact of the revolution on the two cities and the ways in which the war combined with general economic trends transformed providence into rhode island s major city

like many of the historical and genealogical books written during the 1800 s and early 1900 s this work consists of two main sections the history of stonington which consumes the book s first 200 pages and concludes with the 500 page genealogical register of stonington families beginning with the original patents in 1631 the author summarizes the history of the town and addresses the development of the various facets of society such as their religious institutions the military component government infrastructure commercial development the various wars endured and other historical events the narrative is filled with the names of residents involved with or prominent in the town s sectors or institutions there are also numerous lists and military rosters of those who served elected officials and of individuals involved in the commercial and ecclesiastical development the second section of the book the genealogical register of stonington families comprises an alphabetical listing beginning with the immigrant ancestor and progresses through five or more generations providing names birth and marriage dates and often times a narrative of the background and accomplishments of the individual in addition to this alphabetically arranged register an index is also available which exceeds more than 12 000 entries following are the immigrant surnames whose genealogies are outlined avery babcock baldwin bennett bentley billings breed brown browning burch burrows chapman chesebrough clift coates cobb collins copp cottrell davis dean denison eells fanning fish frink gallup gore grant greenman haley hallam hancox hart hewitt hinckley hobart holmes hull hyde kellogg main mallory manning mathews mason miner morgan noyes page palmer park peabody pendleton Phelps pollard pomeroy prentice randall rhodes rossiter russell searle sheffield sisson smith stanton stewart steward swan thompson trumbull vincent west wheeler wilcox williams witter woodbridge and york paperback 1900 repr 2002 2011 appendix index 772 pp

by focusing on law this book offers new insights into the history of religious liberty in colonial america

maps documents and artwork are used to introduce the history of rhode island to the time of the american revolution
