uses fresh archival material to explore jack london s publishing career outside of north america illuminating the relationships with publishers and agents principally in britain as a key to understanding the character drive and international success of this popular figure of twentieth century american letters

with a vision to give the next generation a sense of righteousness and restore the glory of ancient india the principles of sanatana dharma enunciated by moral stories for people of all ages this book has been compiled preacher s teachers children parents a wonderful guide and reading material everyone will benefit a rich source of indian culture being carried forward to reestablish ideal values by appropriate stories wishing everyone a happy reading

survivors of operation spectrum the alleged marxist conspiracy speak up in this volume for many of them this is the first time that they cast their minds back to 1987 and try to make sense of the incident what they did in that period was meaningful and totally legitimate their families and friends share the same view the detainees were subjected to ill treatment humiliation and manipulated television appearances under duress and threatened with indefinite imprisonment without trial they had to make statutory declarations against their will it is hoped that with this publication singaporeans will know what actually happened and decide for themselves if there was a national security threat that necessitated the mounting of operation spectrum this book is a portal to singapore s soul to the human spirit that can be suppressed or manipulated but never defeated it is also a signal to the current generation of the task to be completed to exercise the inalienable rights of free citizens even while the internal security act and other legislation denies these rights the book also provides a kind of social media map of all those who played along with the defenestration of the innocents many of these collaborators with state repression are in positions of public influence and private wealth some expressing private sympathy while maintaining public loyalty to the regime paradoxically mired as they are in moral compromise they are less free and possibly more fearful than those who were detained in 1987 and now speak with clear voices singapore s future will be the outcome of a contest between an administration in perpetuity in power since 1959 that has big data reaching

into almost every aspect of people s lives and the upwelling pressure from social inequality the weakening economy and the declining salience of singapore s geo strategic location will be best compensated for by the emergence of a democratic singapore will a free citizenry emerge to challenge rule by the algorithms of a wealthy elite christopher tremewan research fellow in political studies university of auckland singapore is in some ways a model for many people around the world in that it seems to provide the full implementation of a neo liberal capitalist agenda without being troubled by democracy and human rights it has achieved prosperity for some but not all of its citizens the price has been a loss of freedom and vitality that still keeps the country in a state of political paralysis it is a false model one which the marxist conspirators challenged then and continue to challenge now this book tells the stories of many who were involved in this troubling episode in singapore s history and who continue to be affected by it these stories are a vital part of modern singapore history and should be read by everyone i am honoured to know so many of these witnesses who have been willing to take the risk to tell the truth professor shelley wright department of aboriginal studies langara college vancouver canada
