an educated aristocratic slave abd rahman ibrahima was overseer of the large cotton and tobacco plantation of his master after more than twenty five years when he was finally freed sixty six year old ibrahima sailed for africa with his wife two sons and several grandchildren and died there of fever just five months after his arrival prince among slaves is the first full account of ibrahima s life pieced together from first person accounts and historical documents it is not only a remarkable story but the story of a remarkable man who endured the humiliation of slavery without ever losing his dignity or his hope for freedom

william h williams fills a gap in the literature on slavery in america this book is the first comprehensive analysis of the peculiar institution in the first state an excellent text for courses in colonial and antebellum history slavery and freedom in delaware provides valuable insight into this unfortunate unforgettable period in the nation s history

jennifer a glancy brings a multilayered approach to these and many other issues offering a comprehensive reexamination of the evidence pertaining to slavery in early christianity jacket

this study examines the long overlooked institution of slavery in korea challenging its erasure from historical narratives and reassessing its role within the country s socio political structure it explores how slavery deeply embedded in a lineage based aristocracy functioned not only as an economic driver but also as a hereditary status system that reinforced elite dominance and self preservation using the concept of servile society a society in which strong asymmetrical dependency is linked to hereditary social status in law and custom the book examines how hereditary dependency shaped elite power governance and social hierarchies over centuries the

study combines political and legal history social structures and ideological frameworks to present the latest research on slavery in ancient korea it examines how slaves were constructed as a special species in the korean middle ages analyzes the role of slavery in the yangban dominated society of the early modern period based on political intellectual discourses and statistical data and tracks the expansion of slavery discourses in japanese and western reception after c 1800 based on texts and photographs and examines the aftermath of slavery in the present

long out of print and found only in rare book stores it is now available to a contemporary audience with this new paperback edition when slavery was abolished by the emancipation proclamation there were slaves in every county of the state and almost half the population was directly involved in slavery as either a slave a slaveowner or a member of an owner s family orville taylor traces the growth of slavery from john law s colony in the early eighteenth century through the french and spanish colonial period territorial and statehood days to the beginning of the civil war he describes the various facets of the institution including the slave trade work and overseers health and medical treatment food clothing housing marriage discipline and free blacks and manumission while drawing on unpublished material as appropriate the book is to a great extent based on original often previously unpublished sources valuable to libraries historians in several areas of concentration and the general reader it gives due recognition to the significant place slavery occupied in the life and economy of antebellum arkansas

a major contribution to our understanding of slavery in the early republic deliver us from evil illuminates the white south s twisted and tortured efforts to justify slavery focusing on the period from the drafting of the federal constitution in 1787 through the age of jackson drawing heavily on primary sources including newspapers government documents legislative records pamphlets and speeches lacy k ford recaptures the varied and sometimes contradictory ideas and attitudes held by groups of white southerners as they tried to square slavery with their democratic ideals he excels at conveying the political intellectual economic and social thought of leading white southerners vividly recreating the mental world of the varied actors and capturing the vigorous debates over slavery he also shows that there was not one antebellum south but many and not one southern white mindset but several with the debates over slavery in the upper south quite different in substance from those in the deep south in the upper south where tobacco had fallen into comparative decline by 1800 debate often centered on how the area might reduce its dependence on slave labor and whiten itself whether through gradual emancipation and colonization or the sale of slaves to the cotton south during the same years the lower south swirled into the vortex of the cotton revolution and that area s whites lost all interest in emancipation no matter how gradual or fully compensated an ambitious thought provoking and highly insightful book deliver us from evil makes an important contribution to the history of slavery in the united states shedding needed light on the white south s early struggle to reconcile slavery with its revolutionary heritage

the biography of an african muslim prince who had been captured in war and sold into slavery in mississippi

slavery in africa existed for hundreds of years before it was abolished in the late 19th century yet we know little about how enslaved individuals especially those who never left africa talked about their experiences collecting never before published or translated narratives of africans from southeastern ghana sandra e greene explores how these writings reveal the thoughts emotions and memories of those who experienced slavery and the slave trade greene considers how local norms and the circumstances behind the recording of the narratives influenced their content and impact this unprecedented study affords unique insights into how ordinary west africans understood and talked about their lives during a time of change and upheaval
