here is a wealth of information on helping black alcoholics and their families authorities discuss the policies programs and personnel that are needed to sensitively and effectively meet the treatment needs of black alcoholics in a clear and concise look at the devastating disease of alcoholism they focus on the physical psychological social economic and spiritual dimensions of the effects of the disease on blacks each chapter responds to these concerns and provides treatment models recommendations and information about treating black alcoholics this is an informative and highly practical book for professionals in alcohol specific agencies mental health centers family services and child care agencies as well as for administrators of treatment programs students and those who allocate funds for services

a a co founder bill w tells the story of the growth of alcoholics anonymous from its make or break beginnings in new york and akron in the early 1930s to its spread across the country and overseas in the years that followed a wealth of personal accounts and anecdotes portray the dramatic power of the a a twelve step program of recovery unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence bill recounts the evolution of the twelve steps the twelve traditions and the twelve concepts for world service those principles and practices that protect a a s three legacies of recovery unity and service and how in 1955 the responsibility for these were passed on by the founding members to the fellowship a a s membership at large in closing chapters of alcoholics anonymous comes of age early friends of a a including the influential dr silkworth and father ed dowling share their perspectives includes 16 pages of archival photographs for those interested in the history of a a and how it has withstood the test of time alcoholics anonymous comes of age offers on the growth of this ground breaking movement alcoholics anonymous comes of age has been approved by the general service conference

age old scholarly dogma holds that the death of serious theatre went hand in hand with the death of the city state and that the fourth century bc ushered in an era of theatrical mediocrity offering shallow entertainment to a depoliticised citizenry the traditional view of fourth century culture is encouraged and sustained by the absence of dramatic texts in anything more than fragments until recently little attention was paid to an enormous array of non literary evidence attesting not only the sustained vibrancy of theatrical culture but a huge expansion of theatre throughout and even beyond the greek world epigraphic historiographic iconographic and archaeological evidence indicates that the fourth century bc was an age of exponential growth in theatre it saw the construction of permanent stone theatres across and beyond the mediterranean world the addition of theatrical events to existing festivals the creation of entirely new contexts for drama and vast investment both public and private in all areas of what was rapidly becoming a major industry this is the first book to explore all the evidence for fourth century ancient theatre its architecture drama dissemination staging reception politics social impact finance and memorialisation

three powerful movements provided the foundation for a fourth movement t is the self help movement of alcoholics anonymous often referred to as a a it s success and growth has been unequalled by the previous three movements as it has spread across the globe a a itself has become the foundation for 100 s of other self help movements this collection of three books gives a clearer picture of how the roots of a a were formed the collection starts with sam shoemakers american implementation then moves into the initial oxford group movement and ends up with william booth s the salvation army that has been helping people start new lives for over 150 years the common thread of all movements is turning to god for your strength and answers god bless you tuchy palmieri
