given the rise of globalization and coinciding increase in cultural clashes among diverse nations it has become eminently clear to scholars of political thought that there exists a critical gap in the knowledge of non western philosophies and how western thought has been influenced by them this gap has led to a severely diminished capacity of both state and nonstate actors to communicate effectively on a global scale the political theorists area scholars and intellectual historians gathered here by takashi shogimen and cary j nederman examine the exchange of political ideas between europe and asia from the middle ages to the early twentieth century they establish the need for comparative political thought showing that in order to fully grasp the origins and achievements of the west historians of political thought must incorporate asian political discourse and ideas into their understanding by engaging in comparative studies this volume proves the necessity of a cross disciplinary approach in guiding the study of the global history of political thought

epistolary community in print contends that the printed letter is an inherently sociable genre ideally suited to the theorisation of community in early modern england in manual prose or poetic form printed letter collections make private matters public and in so doing reveal first how tenuous is the divide between these two realms in the early modern period and second how each collection helps to constitute particular communities of readers consequently as epistolary community details epistolary visions of community were gendered this book provides a genealogy of epistolary discourse beginning with an introductory discussion of gabriel harvey and edmund spenser s wise and wittie letters 1580 and opening into chapters on six printed letter collections generated at times of political change among the authors whose letters are examined are angel day michael drayton jacques du bosque and margaret cavendish epistolary community identifies broad patterns that were taking shape and constantly morphing in english printed letters from 1580 to 1664 and then considers how the six examples of printed letters selected for discussion manipulate this generic tradition to articulate ideas of community under specific historical and political circumstances this study makes a substantial contribution to the rapidly growing field of early modern letters and demonstrates how the field impacts our understanding of political discourses in circulation between 1580 and 1664 early modern women s writing print culture and rhetoric

chosen by choice magazine as an outstanding academic title until recently history writing has been understood as a male enclave from which women were restricted particularly prior to the nineteenth century the first book to look at british women writers and their contributions to historiography during the long eighteenth century british women writers and the writing of history 1670 1820 asks why rather than writing history that included their own sex some women of this period chose to write the same kind of history as men one that marginalized or excluded women altogether but as devoney looser demonstrates although british women s historically informed writings were not necessarily feminist or even female focused they were intimately involved in debates over and conversations about the genre of history looser investigates the careers of lucy hutchinson lady mary wortley montagu charlotte

lennox catharine macaulay hester lynch piozzi and jane austen and shows how each of their contributions to historical discourse differed greatly as a result of political historical religious class and generic affiliations adding their contributions to accounts of early modern writing refutes the assumption that historiography was an exclusive men s club and that fiction was the only prose genre open to women
